Letter from C.G. Herbert Esquire, I.C.S., ag.Collector, Bellary, No.Ref. C. 4878/26A-6, dated 29th September 1926.

A portion measuring 5-36 acres of S.No. 229 (River - accretion) of Hampasagar village, Hadagalli Taluk was cultivated by the relations of the Karnam in office in the year 1915 on the authority of an order of the Revenue Divisional Officer, Hospet, permitting the temporary occupation on - payment of single rate. The occupation continued year - after year. Subsequently, 3 other persons also entered upon the land and cultivated it. This came to the notice of [illegible]

predecessor when he was doing the Jamabandi of the Taluk in Fasli 1334 and he ordered that the parties should quit the land and that it should be granted to the Adi-Andhras of the village. Subsequently the Adi-Andhras applied to the Sub-Collector for permission to occupy the land. The Sub-Collector directed the Revenue Inspector to hand over the land to them subject to payment of highest dry rate of the village. Accordingly the land was handed over and was sown by them in the presence of the Revenue Inspector. Thereafter the Karnam's relation trespassed on the land and resowed it spoiling the crop sown by the Adi-Andhras who put a petition to me in the matter.

2. I inspected the land. It is a river accretion and under B.S.O. 15 para 35(6) .15 should be leased out by auction. It would certainly fetch a high bid. In view, however, of the promise made to the Adi-Andhras I recommend that they may be granted an annual lease of the land for this fasli and next on payment of the highest dry rate prevailing in the village and that thereafter the lease of the land may be sold in auction in accordance with the provisions of the B.S.O. I request early orders of the Board in the matter as the land is at present waste.
